

PHOEBE
AKA THUNDER GIRL

SUPER POWERS:

- Telekinesis
- Heat Breath
- Freeze Breath

SUPER FACT

The human brain generates enough power to light a light bulb! Talk about a bright idea!

FUN FACT

When she overuses her power, Phoebe gets tele-cramps.

SUPER STUMPER

What would you move if you had telekinesis?

MAX
AKA MAXTASTIC

SUPER POWERS:

- Telekinesis
- Heat Breath
- Freeze Breath

SUPER FACT

Ice volcanoes exist on one of Saturn's moons. They spew ice instead of magma!

FUN FACT

Max has an evil pet bunny named Dr. Colosso.

SUPER STUMPER

If you had ice breath would you create unlimited ice cream or unlimited snow days?

NORA
AKA LASER GIRL

SUPER POWER:

- Laser Eyes

SUPER FACT

LASER is actually an acronym! The letters in the word LASER stand for Light Amplification by Stimulated Emission of Radiation.

FUN FACT

NASA has used lasers on space missions to study gasses in Earth's atmosphere, to measure the distance between the Earth and our moon, and more! Nora has used lasers to heat up chicken wings and stop her siblings from annoying her.

SUPER STUMPER

Would you rather be able to shoot lasers out of your eyes or your fingertips?

CHLOE
AKA SUPER BABY

SUPER POWER:

- Teleportation

SUPER FACT

A person being teleported would have to move faster than the speed of light, which is about 186,000 miles per second, or 669,600,000 miles per hour.

FUN FACT

Albert Einstein's Theory of Relativity claims that nothing can travel faster than the speed of light...don't tell Chloe Thunderman that her superpower is impossible!

SUPER STUMPER

If you could teleport anywhere in the universe, where would you want to go and why?

BILLY
AKA **KID QUICK**

SUPER POWER:

- Super-Speed

SUPER FACT

The fastest animal on earth is the Peregrine falcon, which can reach diving speeds of up to 240 miles per hour!

FUN FACT

Billy can run around the entire world in one minute!

SUPER STUMPER

Would you rather be able to move at the speed of light, or slow down time? (Either way, you'd never have an excuse for being late again!)

BARB & HANK
AKA **ELECTRESS & THUNDER MAN**

SUPER POWERS:

- Electrokinesis (Barb)
- Super Physiology (Hank)
- Thundersense (Both)

SUPER FACTS

- You may have heard of electric eels, but shockingly there are also electric rays and catfish who can make electric pulses.
- Muscles create at least 85 percent of your body heat.

FUN FACTS

- Barb's maiden name is McBooger.
- Hank carries a spoon in his pocket because "You have to be ready for dessert at anytime."

SUPER STUMPERS

- Would you rather be able to make lightning or thunder?
- How would super strength come in handy in your life?
